

## SERFF 7.4 Release Notes

SERFF 7.4 was released to production on Thursday, August 6, 2015. The 7.4 release contains a minor change in the Compact Filing Wizard and other small fixes.

### Changes in SERFF 7.4

#### **Compact Filing Wizard**

Language has been added to steps 4 and 5 of the Compact Filing Wizard that serves as a reminder to Compact filers only the states in which they are licensed to do business in should be included in a filing.

#### **Plan Management, Binders**

If selected, the Network Adequacy indicator will remain on a Binder.

#### **Plan Management, Correspondence**

Industry Plan Management users will no longer receive an error requiring a comment and/or attachment when attempting to submit an Amendment letter that includes Supporting Document items.
