

Healthcare.gov ID

Consumers often have a hard time locating a filing in HFAI that they found on the HealthCare.gov website. This feature provides a field in which state SERFF users can enter an identifier provided by HHS. Consumers will be able to search for this identifier on the HFAI website.

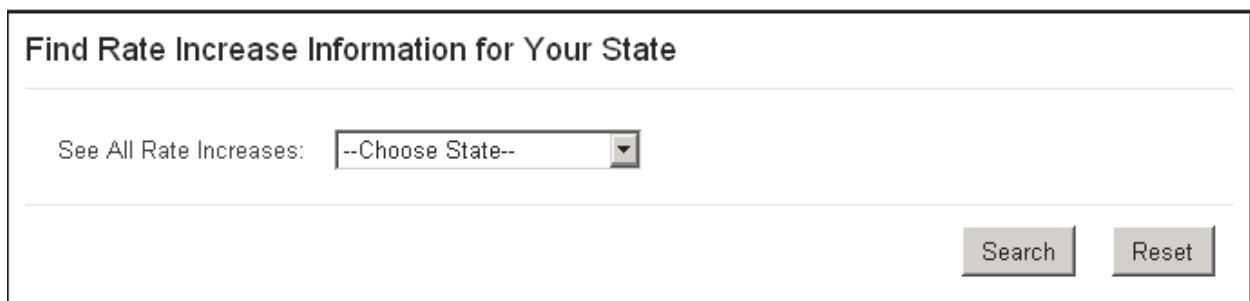

Identifying the Healthcare.gov ID

1. Go to www.healthcare.gov.
2. Under the heading 'Get Help Using Insurance', click 'Your Insurance Company & Rate Increases'.

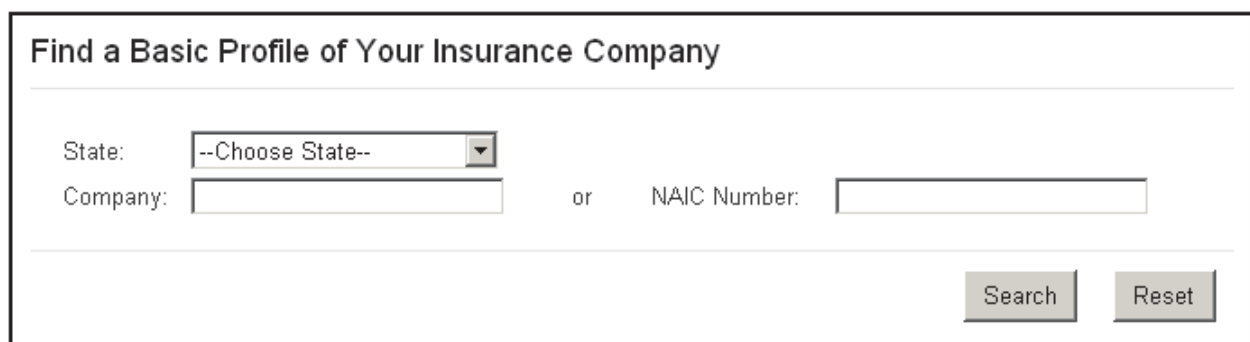

The screenshot shows the Healthcare.gov homepage. The header includes the logo "HealthCare.gov" and the tagline "Take health care into your own hands". A search bar is located in the top right. Below the header is a navigation menu with five buttons: "Find Insurance Options", "Get Help Using Insurance", "The Health Care Law & You", "Comparing Care Providers", and "Prevention & Wellness". The "Get Help Using Insurance" button is highlighted with a red box, and a sub-menu item "Your Insurance Company & Rate Increases" is also highlighted with a red box. A breadcrumb trail at the bottom left reads "Home > Get Help Using Insurance > Yo".

3. Locate the insurance information by searching for all rate reviews within a single state:

The screenshot shows a form titled "Find Rate Increase Information for Your State". It contains a label "See All Rate Increases:" followed by a dropdown menu with the text "--Choose State--". At the bottom right of the form are two buttons: "Search" and "Reset".

Or by searching for a specific company's rate review information:

The screenshot shows a form titled "Find a Basic Profile of Your Insurance Company". It contains two input fields: "State:" with a dropdown menu labeled "--Choose State--" and "Company:" with a text input field. To the right of the "Company:" field is the text "or" followed by "NAIC Number:" and another text input field. At the bottom right of the form are two buttons: "Search" and "Reset".

4. Once the correct insurance product has been identified, the Healthcare.gov ID is the 10-digit identifier found at the end of the Product Name.

State Rate Review

All products for Missouri Profile that have had rate reviews appear in the chart below. Click on the product name to find more information about these rate increases. You can sort them by product name, status, and requested rate increase.

Updating the Filing

1. After identifying the Healthcare.gov ID, place the SERFF filing in 'Update' mode.
2. On the General Information tab, locate the 'Healthcare.gov ID' field.

The screenshot displays the 'General Information' tab of the SERFF Filing System. The tab is selected and highlighted. Below the tab, there is a 'View State Narrative' link. The main content area shows 'PPACA: * Grandfathered Immed Mkt Reforms'. On the right side, there is a 'Healthcare.gov ID:' label followed by a text input field, which is highlighted with a red border.

3. Copy and paste the Healthcare.gov ID into the corresponding field and 'Save'.
