

HIPR Table A - Summary

Rate Filings For This Period (A1)	7
Rate Increases For This Period (A2)	2
Reviewed (A3)	6
Approved (A4)	3
Denied (A5)	1
Deferred (A6)	2

A1 and A2 are based on the Submission Date of the filing being within the dates of the reporting period.

A3, A4, A5, and A6 are based on the Disposition Date of the filing being within the dates of the reporting period.

A3 is the sum of A4, A5, and A6.

To verify the counts in the HIPR Table A Summary, match the data to the HIPR Table A section found in the HIPR Rate Review Detail.

Multiple company filings will be counted equal to the number of companies included in the filing and will be represented in the detail an equal number of times.

HIPR Table B (Individual) - Summary

Product Type	Policy Holders	Covered Lives
EPO	0	0
FFS	0	0
HDHP	0	0
HMO	0	0
HSA	0	0
OTH	5869	10258
POS	0	0
PPO	1000	2000

Tables B, C, D, and E all function the same, with the difference being the Market Size/Group selected on the General Information tab of the filing.

Filings which appear in Tables B, C, D, and E must have a Disposition Date within the reporting period.

Only filings with an HHS Disposition Status of Approved (A4) or Denied (A5) will be counted in Tables B, C, D, and E.

All filings which have the Product Type fields completed on the Rate/Rule Schedule will display in the HIPR Rate Review Detail section.

Tables B, C, D, and E Summary sections will sum all Product Types for all filings closed within the reporting period.

Detail data for filings highlighted in light yellow will not be sent to HHS. Only filings with a HHS Disposition Status of Approved or Denied (not highlighted) that were closed within the period are sent to HHS for review.

Detail fields highlighted in red are required by HHS to be entered by the state, but are not completed within the closing Disposition. These fields are required when HHS Issuer ID is present.

- The '% Change Approved' fields and the 'Implementation Date Approved' are only required when the HHS Disposition Status is Approved.
- The 'State Review' field is required for filings that have a HHS Disposition status of Approved or Denied only.

Benefit Change is reflected in this report for state review, but it is not sent to HHS as part of the report.
