

## SERFF 8.8 Release Notes

SERFF 8.8 was released to production on Thursday, December 14, 2023. The release includes SERFF bug fixes as well as several technical updates that should have no impact to users.

### Bug Fixes in SERFF 8.8

#### **Schedule Templates (Industry)**

When a P&C Schedule Template is utilized, the required fields are displayed correctly with a red asterisk for forms.

#### **URRT Determination (State)**

When a state determination is submitted with a revised URRT template, an error message will display.

#### **Disposition Update (State)**

When a Disposition on a closed filing is updated with a new effective date, a message will be sent to the Amazon Web Service (AWS) SQS Queue.
